Administrative Officer, [REDACTED]

4 May 1949

Assistant Chief, Fiscal Branch

Deduction for Quarters and Utilities Furnished Foreign National Employees, [REDACTED]

STATSPEC

1. Reference is made to memorandum dated 3 May 1949, addressed you by the Deputy Budget Officer, relative to Memorandum of Instructions to Chief, [REDACTED], dated 2 May 1949. Paragraph 1 of the Deputy Budget Officer's memorandum asked that paragraph 1 of the communication to the Chief, [REDACTED] be changed to indicate that deductions for quarters and utilities would be made in the usual manner. (STATSPEC)

STATSPEC

2. It will be necessary that the Director approve a schedule of rates which are to be deducted on a bi-weekly basis from salaries of foreign national employees occupying Government-owned quarters [REDACTED]. In order to provide a basis for determining equitable rates of deduction, it is suggested that detailed information be secured from [REDACTED], setting forth charges made by the Military for similar type structures with like furnishings and utility services. In the event structures similar to those to be furnished by [REDACTED] are not present, it is suggested that [REDACTED] furnish appraisals made by appropriate officials of the Military Government as to fair charges. (STATSPEC)
